### **Sid Koop**

Sid Koop is married to Jen and they have two very active boys, Payton and Cole. He has spent the last 11 years in full time youth ministry, his first 4 as a youth pastor in Canmore Alberta, and his last 7 as part time Director of Student Ministries at the E-Free Church of Lethbridge. Sid's primary ministry passion is helping students see the supremacy of Christ in every matter of life and faith, through His

Word. When he is not doing that in his local church setting, he is traveling across Canada speaking to students and youth leaders with Truth Matters Ministries. In his off time, Sid tries to keep up with his wife's passion for exercise, and doubles as a hockey coach, tackling dummy, and air-soft target for his boys.\*
